TOWER TEA

Enjoy the chic and relaxed glamour of Edinburgh's rooftop Tower for a rooftop afternoon tea with a difference, served each day from 3-5pm.

Open and closed sandwiches, home-baking, scones with clotted cream and deliciously indulgent cakes are piled high on tiered cake stands. Enjoy with a glass of Perrier Jouet Champagne and the Tower's speciality teas.

Afternoon tea at the Tower is available daily from 3-5pm. In summer it is a magical experience on the Tower's rooftop terrace with its spectacular views of Edinburgh castle and the Old Town below.
